Vedant Shukla

B.Tech CSE Student | Founder & In-Game Leader @ GOAT eSports | AI & Web Developer

Bengaluru, Karnataka, India | vedantshuklablr@gmail.com | +91 7752957991 | linkedin.com/in/vedant-shukla-7735a7313 | github.com/vedantshuklablr-ai

Professional Summary

B.Tech Computer Science Engineering student at Dayananda Sagar University with a passion for software development, analytical problem-solving, and the evolving digital economy. AI & Web Developer focused on building voice-enabled intelligent applications and automation systems, combining computer science fundamentals with hands-on project execution, hackathon experience, and eSports leadership. Core specializations span AI automation & voice systems, full-stack development, cybersecurity & CTFs, data analytics, and data science.

Experience

Founder & In-Game Leader (IGL) — GOAT Esports Organisation (Self-employed) Apr 2019 – Dec 2025 · 6 yrs 9 mos · Bengaluru, India (Hybrid)

- Founded and led a competitive Indian eSports organisation managing 5 active rosters across top-tier game titles
- Owned team strategy, player roles, communication, and roster planning across multiple competitive titles
- Built decision-making under pressure, conflict management, and strategic performance management through live competitive play
- Core skills applied: Team Motivation, Time Management, Team Building, Team Management, Team Coordination, Team Leadership, Start-up Leadership

Founder & Content Creator — "Java 007" YouTube Channel (Self-employed) Apr 2024 – Jan 2026 · 1 yr 10 mos · India

- Founded and created the YouTube channel "Java 007"
- Produced and published content focused on eSports and gaming (Free Fire, BGMI, and others)
- Core skills applied: Research Skills, YouTube Video Creation

Education

Dayananda Sagar University — Bachelor of Technology, Computer Science Engineering
Aug 2025 – Aug 2029 (expected) · Bengaluru, Karnataka, India

- Activities & societies: The Technical Arsenal
- Hardware & Systems: applied Physics, Electrical Engineering, and Engineering Graphics through academic projects, models, and practical learning
- Digital Craft: proficient in AutoCAD for technical design and Python/C for logic-driven programming and problem-solving
- Strategic Communication: presented ideas through Technical Skits, CPE sessions, and Sustainable Development presentations, strengthening technical communication and teamwork
- Active participant in hackathons, ideathons, workshops, seminars, and technical events
- Relevant coursework skills: Python (Programming Language), AutoCAD

Kendriya Vidyalaya — School, First Division Apr 2014 – May 2025

- Specialized in the PCM stream (Physics, Chemistry, Mathematics), strengthening analytical mindset and passion for science and technology
- Served as a Scout & Guide Troop Leader at KV Kollam — built leadership, teamwork, discipline, and service orientation
- Educated across: Air Force School Hindan (Ghaziabad, UP); KV No. 2 AFS Hindan (Ghaziabad, UP); KV AFS Bidar (Karnataka); KV Agani (Lucknow, UP); KV Raksha Vihar Colony, Shyam Nagar (Kanpur, UP); KV Kollam (Kerala); KV No. 2 Chakeri (Kanpur, UP)
- Relevant skills: Creativity and Innovation, Group Work

Featured Projects

STARK-PROJECT — High-performance Node.js-based AI automation framework with a futuristic HUD interface; integrates voice commands with local system control for native app execution, real-time telemetry, and automation.

SKYGUARD AI (Dec 2025 – Present) — Next-generation AI-driven air defense system integrating real-time data processing, predictive analytics, and intelligent surveillance to enhance aerial threat detection and combat efficiency. Live demo: vedantshuklablr-ai.github.io/SKYGUARD

AI-VOICE-PORTFOLIO — Personal portfolio website integrated with an AI-powered voice-enabled chatbot, built with HTML, CSS, and JavaScript.

PERSONAL-PORTFOLIO-WEBSITE — Modern, performance-optimized personal portfolio site built to professionally showcase projects, technical skills, and AI development work with a clean, responsive design.

MARVEL-STUDIOS-UI — Responsive web project built with HTML, CSS, and JavaScript, featuring Marvel movie pages in chronological order, upcoming releases, and a modern UI.

RoadRakshak — AI-powered road issue reporting platform built with Gemini AI, JWT, Cloudinary, MongoDB Atlas, and interactive maps.

GIT-HUB (Jan 2026 – Present) — Ongoing documentation of personal GitHub journey and open-source contributions.

HackerRank Proficiency (Dec 2025 – Present) — Earned a 3-star silver badge in C language by solving algorithmic challenges.

LeetCode Mastery (Dec 2025 – Present) — Solving algorithmic challenges in C++ and C to build problem-solving efficiency and language mastery.

Hackathons & Competitions

- **HACKANOVA 2026** (NMKRV College) — 10-hour hackathon involving rapid ideation, team coordination, problem-solving, and solution development
- **BNMIT Hackathon** (BNM Institute of Technology) — Collaborative hackathon focused on technical ideation, teamwork, solution development, and presentation
- **TechFix Hackathon** — Fast-paced team hackathon presenting innovative technology solutions
- **Virtual CTF – SPARC** (BMS Institute of Technology and Management) — Signal Processing-Based Capture The Flag challenge exploring practical cybersecurity concepts

Technical Skills

Languages & Frameworks: HTML5, CSS3, JavaScript, TypeScript, Node.js, Express, Python, C, C++ **Tools & Platforms:** GitHub, VS Code, AutoCAD, Microsoft Excel, Microsoft PowerPoint, Microsoft Word, Microsoft Office **Core Specializations:** AI Automation & Voice Systems, Software Development, Cybersecurity & CTFs, Data Analytics, Data Science, Machine Learning, Artificial Intelligence **Learning & Competitive Platforms:** LeetCode, HackerRank, Microsoft Learn, Kaggle, Devfolio, Unstop

Core Competencies

Leadership & Management: Start-up Leadership, Team Building, Team Management, Team Leadership, Team Coordination, Team Motivation, Time Management, Leadership **Communication:** Interpersonal Leadership, Interpersonal Skills, Interpersonal Communication, Presentation Skills, Presentation Design, Interviewing, Email Management, Soft Skills, Communication **Business & Research:** Email Marketing, Corporate Finance, Market Research, Digital Marketing, Tax Advisory, Stock Market Analysis, Stock Picking, Research Skills **Safety:** Safety Management Systems, Public Safety, Industrial Safety, Fire Safety **Analytical:** Data Analysis, Forensic Technology, Problem Solving, Creativity and Innovation, Group Work **Other:** eSports, YouTube Video Creation, English as a Second Language (ESL)

Certifications & Licenses (26)

Certification	Issuer	Date
Introduction to Programming Using Python	Infosys Springboard	Mar 2025
Microsoft Learn – Skills & Badges	Microsoft	Jul 2025
Programming in C# Certification	Infosys Springboard	Dec 2025
MATHLAB (Maths Fundamentals)	KAIILab	Dec 2025
TCS iON Career Edge – Young Professional	TCS iON	Jun 2025
Industrial Safety Programme	Dept. of Factories & Boilers, Govt. of Kerala	Sep 2019
NumPy Programming Mastery: Python for Data Analysis	Udemy	Apr 2025
Introduction to Cybersecurity	Cisco	Issued Jun 2025 (expired)
Machine Learning for Beginners	SimpliLearn	Jun 2025
Python 101 for Data Science	IBM	Jun 2025
Deloitte Australia – Data Analytics Job Simulation	Forage	Jun 2025
An Introduction to Programming Using Python	University of Leeds	Jun 2025

Certification	Issuer	Date
Digital Skills: Artificial Intelligence	Accenture	Jun 2025
Introduction to CIP Program	OPSWAT Academy	Jun 2025 (expires Jun 2026)
Python Course for Beginners: Mastering the Essentials	Scaler School of Technology	Apr 2025
C++ Course: Learn the Essentials	Scaler School of Technology	Apr 2025
Introduction to Cybersecurity Awareness	HP LIFE	Apr 2025
Power of Networking	Infosys Springboard	Apr 2025
Market Research	Reliance Foundation	Apr 2025
CS107: C++ Programming	Saylor University	Apr 2025
ESL005: Business-Proficient English as a Second Language	Saylor University	Apr 2025
ESL004: Advanced English as a Second Language	Saylor University	Apr 2025
ESL003: Upper-Intermediate English as a Second Language	Saylor University	Apr 2025
ESL002: Intermediate English as a Second Language	Saylor University	Apr 2025
ESL001: Elementary English as a Second Language	Saylor University	Apr 2025
Fundamentals of Digital Marketing	Google	Jun 2025
